I hereby acknowledge that I am primarily responsible for administering medication to my child. However: in the event that I am unable to do so, or in the event of a medical emergency. I hereby authorize the School Principal or his/her designee, on my behalf, to administer or to attempt to administer to my child (or to allow my child to self-administer in accordance with School Medical Procedures), lawfully prescribed medication and non-prescribed medication in the manner described in the Physician's Order. I acknowledge that it may be necessary for the administration of medications to my child to be performed by an individual who does not have medical training, and I specifically consent to such practices.

I understand that this authorization is not effective unless the School Principal or his/her designee has approved the medication authorization for my child and signed this form in the space provided below.

I further acknowledge and agree that, when such medication is to be administered or attempted to be administered, I waive any claims I might have against the School, the Catholic Bishop of Chicago, the parish, or any of their employees or agents, wither jointly or severally, from and against any and all claims, damages, causes of action, or injuries incurred or resulting from the administration or attempted administration of said medication.
