

**ST. JOSEPH SCHOOL**  
**STUDENT CODE OF CONDUCT**  
**GRADES 3-8**

As a student of St. Joseph School I pledge myself to try always to behave with respect, integrity, and responsibility.

I will act with respect to God by  
practicing my faith and giving good example.  
studying my religion diligently.  
respecting other religions.  
behaving reverently in church and other sacred places.  
being attentive and actively participating in liturgies.  
using language that shows respect to God and sacred things.

I will respect those in authority by  
cooperating with them and obeying their instructions.  
speaking and acting in a courteous manner.  
following the rules established to guide us.

I will respect my peers by  
acting in a way that is free from violence or threats, physical or verbal.  
being inclusive and welcoming of others.  
tolerating differences.  
speaking well of them or being silent.

I will respect myself by  
developing my strengths and virtues.  
practicing good grooming and adhering to the uniform code.  
developing good health habits.

I will act with integrity by  
doing what is right even when classmates choose otherwise.  
taking credit only for work that is mine and giving others credit for theirs.  
speaking only what is known to be true.

I will act with responsibility by  
accepting the consequences of my actions.  
adhering to the expectations of the school.  
being on time to school and class.  
being prepared with required work and materials.

By acting with respect, integrity, and responsibility, I hope to come closer to God, develop to my fullest potential, and respond to the call of service to others.
