

**ST. JOSEPH SCHOOL
STUDENT CODE OF CONDUCT
GRADES K-2**

As a student of St. Joseph School,

I will respect God by giving good example to my classmates, learning about my religion, behaving in church and participating at Mass, and using proper language that shows respect for God.

I will respect our priests, principal and teachers by obeying them, speaking to them in a courteous manner, and obeying the rules that have been set up to guide us.

I will respect my classmates by being nice to them, helping them, and not doing anything that is hurtful.

I will respect myself by working hard in school, always looking my best, and getting plenty of exercise.

I will always do what is right even if a classmate tells me to do something that I shouldn't.

I will always tell the truth.

I will be responsible by admitting when I do something wrong, doing what my teacher tells me to do, and being prepared in class.
